

Name (Nickname?): Jacen. Jace. Jace Carbon.

Last Name: Starlon.

Address: Gopshall One, cube 11238.

Physical Appearance (hair color, eye color, etc.): Six foot, brown hair, blue eyes, oval face type. Stubble. Not overly muscular, but fit.

Manner of Speaking: Direct and to the point.

Place of Birth: New Earth, Corona.

Other Places You Have Lived (and why): Gopshall One because it's easy to access the system. Zuckerlund because its rainy and away from everything. Canadian Socialist Republic because I was in a rebellious phase.

Ethnic Background: Human, Tantasian.

Family Background: Dad died when I was young, mother is still alive but sick with chronic pain and addicted to opioids, sister lives in New America with her family.

Notable Moments from Childhood: When dad died. When I got my first inverse gravity pogo stick, loved that thing. Kissing Andromeda Aster on the lips. Making love to Jupiter Schmidt in the backseat of her dad's spaceboat.

Educational Background: Primary school and the school of hard orbits. Also, Small Craft IG (inverse gravity) Drive school. And, various Old Earth philosophic studies.

Relationship with Family: Estranged. Visit mother every few months.

Married/Divorced/Single: Single.

Children? None.

Pets? None.

Favorite Foods: Dehydrated rye groats with ungulate milk, real steak, no protobeef! Zealot's Binary Doughnut Rings, but only once a year.

Hobbies: I like to make riffs on my synthesizer that sound like music from the famous band SnÖrg.

Special Interests: Space hydroponics, AI as it relates to ships.

Favorite Music: SnÖrg and pretty much any downtempo moody EDM.

Favorite Television Show: The detective holofeed program called Alien Bystander.

Favorite Movie: *The Dawn of the Dark* by Michael Poorman, a space serial-killer thriller.

Favorite Book: *Ashes to Dust* by Kyle Hipnack, a gritty police procedural.

Special Skills or Abilities: I can pilot a ship. Really good at smuggling. Can plot inverse gravity drive trajectories in my head based on “eye-balling it.” Can play the synthesizer, woohoo.

Vices: Anger, impatience, arrogance, recklessness (at least I can admit it.)

Employment History: Currently self-employed, but worked at StarQuest on a gas shipper for fifteen years.

Philosophy of Life: Basically, the golden rule. And it’s easier to ask for forgiveness than permission. ☺
